Fine Forgiveness during April!

Are you avoiding the library because of that REALLY overdue book? Afraid that your fines have gotten out of control? Turn over a new leaf this spring by tidying up your library record. The Crozer Library is offering fine forgiveness on overdue items during the month of April.

Simply bring back your book or video,

and we will erase your fines! Please note that you must physically return an item that was due before April 1, 2008, to qualify for fine forgiveness. For more information, please call 610-494-3454.

This promotion is part of Crozer Library's celebration of National Library Week, April 13-19th,

which celebrates the contributions of libraries and librarians nationwide.

Say goodbye to those fines!
