Thank You, Harrah's Chester!

On Friday, May 2nd, the Crozer Library had a new phone system installed. Harrah's Chester Casino & Racetrack graciously provided the funding for the installation of a

brand new state-of-the-art telephone system. New handsets and revamped voicemail will make communication flow more smoothly at the library. Crozer Library

appreciates Harrah's commitment to the Chester community.

Did You Know ... ?

Do you have a long commute? Do you enjoy resting your eyes? Crozer Library is continuously expanding its collection of audio books on CD. Our growing collection

includes contemporary popular fiction and nonfiction titles as well as a number of riveting mysteries. We are also excited to include the Griot Audio collection of African

American literature. Please check out our collection the next time you stop by!

Save the Date!

This year's Summer Reading Club kicks off on **Saturday, June 7th**. Adults, children, and families can "Catch

the Reading Bug" while enjoying professional

storyteller Linda Goss, Jungle John's creatures and reptiles, arts and crafts, music, good food, and fun!

Advisory Groups to be Established

Have a say in the future of your library. We are looking to establish both youth and adult patron advisory groups. Provide input on programming and building the library's collections. If you would like to participate, please call Teresa Flood at 610-494-3454.

Student Artwork on Exhibit

Please stop by and enjoy the Chester High School student artwork on display at the library through May 10th. Paintings, drawings, and sculpture adorn the library walls. Pick up a program at the front desk to see the artists' names and works.
