Science in the Summer

On **July 2nd and 3rd**, Crozer Library welcomes aspiring young scientists. Local youth entering the second through sixth grades will attend Science in the Summer,

sponsored by the GlaxoSmithKline Foundation and the Delaware County Library System. The program introduces students to bioscience through fun, hands-on

science activities and experiments.

Upcoming Programming

On **Tuesday, July 15th, from 11:00a.m. to 12:00p.m.**, representatives from the District Attorney's office will present, "**Crimes Against the Elderly**" for seniors and other citizens

interested in preventing exploitation and identity theft.

On **Wednesday, July 16th at 6:30p.m.**, the **Xlibris** company will explain the **self-publishing** process for aspiring authors and poets.

Thank you, Local 413!

Crozer Library thanks Laborers International Union of North America Local 413 of Chester. Local 413

generously donated \$2,000 to fund Summer Reading Club programming and incentives to promote

children's literacy over the summer months. We appreciate the continued support of Local 413.

Summer Reading Continues

Children and teens are busy reading their way through many exciting titles as they "Catch the Reading Bug" this summer at the library. Summer Reading continues through the beginning of August. As participants read books, they are able to earn fun incentives!

Sign Language Class Slated

Crozer Library will hold a Beginner's Sign Language class on Saturday, **August**

16th, from 11:00a.m. to 12:00p.m. The library also has a number of books for those interested in learning sign language.
