Summer Reading Underway

The J. Lewis Crozer Library's annual summer reading program began on June 15th. Children and teens are already keeping track of the books they've been reading to earn exciting prizes. Daily programs, such as storytimes and game days, revolve around this year's theme of "Be Creative!" Summer reading culminates with Youth Empowerment Day on Saturday, August 8th. Children can claim prizes on Friday afternoons; teens will enjoy an end-of-summer raffle.

Library Funding Danger

Crozer Library is in danger of severe budget cuts with this year's Pennsylvania budget. Please help by writing your state senator and representative requesting **level funding** for libraries. You can find your state officials at www.legis.state.pa.us. Visit www.delcolibraries.org for more budget details.

Imagine, create, Participate!

Chester Children Learned All About Genetics

Chester students entering 2nd through 6th grades gathered for hands-on instruction in genetics. Part of GlaxoSmithKline's Science in the Summer course, the students met for genetics course sessions on Wednesday and Thursday, July 1st and 2nd where the future scientists conducted fun experiments.

Crozer Library Online
